2010 Annual Report

Transforming Lives through Prayer

2010 in Review...

Transforming lives. There is nothing more exciting! For 16 years we've offered hope and healing to the hurting and prayer training for those who are growing in Christ and service to others.

In 2010, God gave us a vision to bring these two aspects of our ministry together. We launched the Dream Team Initiative. The goal: to see a trained prayer team to help people in need in EVERY church in the Twin Cities, regardless of denomination or size.

2010—Program Highlights

Our workshop, "Love in Action," provided basic training for church prayer teams, and a panel of ministry leaders shared best practices for developing prayer ministry in churches. This was followed by a citywide conference, "More Love, More Power," with Mike Flynn, that drew 255 people.

Ladies Day at the Arboretum, our annual women's event in June, drew a sold out crowd of 317. The theme was "Living Free!" with Sandy Adler. A highlight: 18 women shared "cardboard testimonies" of how Christ had set them free from hardships in their lives.

Along with these large events, we held smaller workshops, classes, healing services and prayer clinics that served 1,695 people. These included 5 events that were bilingual, in Spanish and English.

Community Partnerships

Prayer Ventures is passionate about transforming communities as well as transforming churches and individual lives.

Prayer workshop at Quarry Community Church

In 2010, we partnered with churches, ministries and schools to put on "State of the City Summit," a citywide multi-ethnic equipping event for pastors and ministry leaders.

We continued to partner with Alpha USA/Twin Cities to lead "Transform the City Prayer Gatherings." In 2010, we held these gatherings in 7 churches throughout the Twin Cities, praying for transformation of our city and changed lives through encountering Christ. We also partnered with Metro Hope and Healing House to enable residents in their recovery programs to attend our conferences.

Financial Overview

Prayer Ventures is largely supported by the generous gifts of individuals, churches, foundations and businesses. In 2010, nearly three quarters of our revenue came from contributed income. Individual giving is the greatest portion of this. As foundation and church support has decreased due to tight economic times, gifts from individuals are more vital than ever. YOU are the biggest piece of the pie!

Earned income from program fees at events and merchandise sales also provide a significant part of our income.

As good stewards of your support, we strive to maximize ministry and minimize administrative costs. In 2010, 85% of our total revenue went to programs that benefited the people we serve.

Where Ministry Funds Come From

Where Ministry Funds Go

Fabulous Volunteers

Prayer Ventures is deeply grateful to the many fabulous volunteers who make this ministry possible. On right Betsy Lee is pictured with (L to R) Jeff Thompson, Dave Olson and David Smith who served with a smile at Ladies Day at the Arboretum. In 2010, 216 volunteers donated 2,875 hours to help PV operate its programs. We appreciate their gifts of time, talent and service to others. Thank you!
